**BELMONT PARK OFFERS BEACHFRONT ADVENTURE IN  
UPCOMING EPISODE OF ABC'S HIT ROMANCE REALITY SERIES  
*THE BACHELOR***

SAN DIEGO, CA (January 15, 2019) – San Diego's historic beachfront amusement park, Belmont Park, sets the stage for a memorable and adventurous escape in an upcoming episode of ABC's *The Bachelor*. The episode will feature an exciting and heartwarming one-on-one date with the newest Bachelor, Colton Underwood, one lucky lady and some surprise deserving guests! This episode of *The Bachelor*, currently celebrating its 23<sup>rd</sup> season, is scheduled to air **Monday, January 21, 2019, at 8/7c, on ABC.**

Colton Underwood burst onto the scene during season 14 of *The Bachelorette*. It was his good looks, love for dogs and vulnerability that charmed not only Bachelorette Becca Kufrin, but all of Bachelor Nation. This former NFL player made a play for Becca's heart but was sadly sent home after professing he had fallen in love. When Colton showed up to the beaches of Mexico last summer on *Bachelor in Paradise*, he was hopeful. While he may not have found love, he didn't leave empty-handed. He found closure with former flame Becca Kufrin; clarity with Bachelor Nation favorite Tia Booth; and above all, an unwavering desire to find the woman of his dreams. After a summer of growth and a new perspective on what he is looking for, Colton is more than ready for this next chapter. Colton returned for another shot at love, ready to capture hearts across America yet again as the star of *The Bachelor*, which premiered for its 23<sup>rd</sup> season on Monday January 7, on The ABC Television, streaming and on demand.
